

Welcome to the museum on crutches

Friendly staff

Find out about old artefacts

Did you know.....

Lobby

There are lots of interesting things in the lobby. There was an old fashioned fire and lots of interesting tools. There are dolls and teddy's

A picture of the lobby

Town room

There are lots of medicines and metal operating instruments. If you look out of the window you might have been able to see the soldiers coming. There was special moves that men did and there was a dentist drill.

This is the dentist drill

These are medicine bottles

Agricultural room

There was lots of stuffed animals and a man trap that cuts your leg off .

This is the man trap

Parlour

We saw a dolls house and there was these to dolls who where sitting at a table with there granny reading the bible

This is a granny is reading the bible

Conclusion

It is really fun and you get to see lots of old fashioned things thank you very much for reading my presentation
