

The House on Crutches Museum

The House on Crutches Museum is an old Tudor building with artefacts from olden times.

The Lobby

The Lobby is the first room you walk into. You will see a cheese press, a town crier's bell and a firewomen outfit.

Town room

- In the Town room there is a dentist drill, a book where they write what they had sold, clothes, accessories and shoes.

Agricultural room

- In the Agricultural room you will see stuffed animals, a man trap and oxo cubes. You will also find a spinning wheel.*

Parlour

*There are lots of toys
in the parlour.*

*There are life-size
models of a grandma
and children.*

Conclusion

Thank you for watching my presentation. The House On Crutches Museum is a really good museum, please come and visit.
